SIRE STAG SALE'S

(N.I) Friday January 9th at Beaufort Lodge
(S.I) Tuesday January 13th 6.00pm
at Hamptons road, Ashburton

ROMULUS
Pure Furzeland
Peak LW 302 kg
Peak HA 13.9 kg <small>NZ record</small>
Peak Vel 8.4 kg <small>NZ record at 6 yrs</small>

Beaufort Lodge will be having two sire Stag Auctions this season. Stags offered will be progeny of the following Sires; **CAESAR, ROMULUS, TERMINATOR and NERO.**

At Beaufort Lodge Rotorua, 36 stags will be sold with full heads of velvet. The 36 South Island stags will mostly be velveted prior to auction and presented for sale with their velvet on display. These stags on Graham Young's property have been raised there since weaners, so are well adapted to the South Island environment. Inspection of the prospective sires is welcomed at any time.

Contact; **Peter Fraser**, Mobile 025 927 687
or **Graham Young**, 03 302 0729
Hamptons Road, Seafeld, Ashburton

Tarukenga Road, P.O. Box 164, Ngongotaha, Rotorua, New Zealand
Phone 07 357 4655, Fax 357 2058, Mobile 025 927 687

Beaufort Lodge two year sires on the march to a Sale complex January 1997.

As shown in the above photograph the Beaufort Lodge deer have tremendous temperament as well as antler and body. Of the 36 two year sires sold on 9th January, 17 were in excess of 200 kg, up to 224 kg.

While Beaufort is renowned for its antler genetics there has been emphasis on body conformation and live weight, always looking to the day when the importance of a high meat to bone ratio's of a carcass will be reflected in premium schedule of the stags to be sold January 98 and 145 prospective spikers weighed in March an average of 133 kg ranging from 94 to 179 kg.

Aside from stags retained into the herd as sires only the best of these stags will be put to auction. These stags at this stage appear to be considerably better than those sold in January 1997.

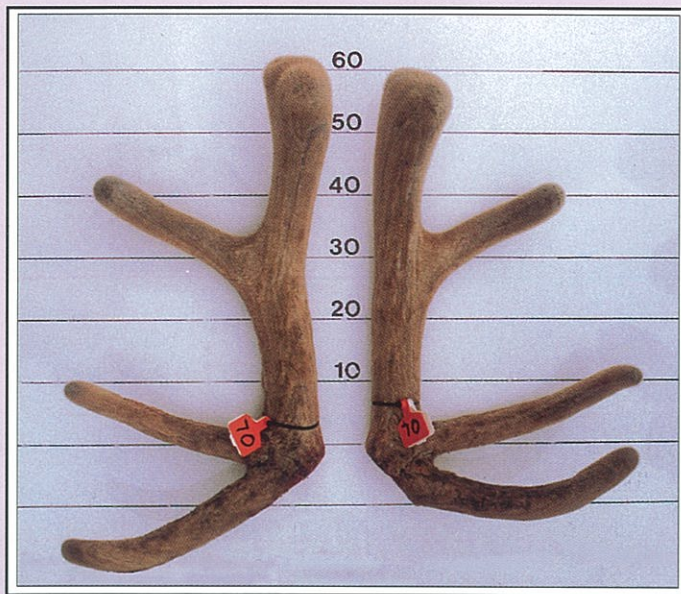

While the bottom end stags will obviously be culled, the top end continue to improve year by year which is an indication of the generic gain being achieved by Beaufort Lodge.
