

New Zealand National Velvet & Trophy Antler Competition 2011

Conducted by

NZDFA

New Zealand Deer Farmers' Association

SOUTHLAND BRANCH

Sponsored by

You can rely on Reliance

DEER ELITE NUT

Developed to provide essential nutrition, improve animal condition and enhance antler and velvet growth in wapiti, red deer and elk, Deer Elite Nut is the complete deer feed. The Deer Elite Nut was developed by the Reliance Feeds Team based on their experience of supplement feeding of deer during winter in Europe and New Zealand. A good pasture with high-quality ryegrass and clover, chicory and plantain, is fundamental for good animal performance, but supplementing with the Deer Elite Nut, has shown to improve performance, even under optimum conditions.

- Specially formulated to improve antler growth and velvet production
- Fully processed so all the nutrients can be utilised by the animal which reduces wastage
- Extra high quality bypass and rumen-degradable protein to aid digestion and meet nutritional requirements
- Contains minerals in targeted quantities to facilitate bone and muscle growth

RELIANCE FEEDS

CALCULATED ANALYSIS (DM BASIS)
