**Trophy** - Black Forest breeds unique long, wide and high-scoring heads with wow factor. Proven in our commercial herd, at maturity these deer are consistently producing the industry's finest line of trophies.

**Velvet** - Black Forest velvet sires produce attractive, clean, heavy heads with many NZ champions in the pedigree.

**Venison** - Black Forest stags are intensively selected using multiple profit-based traits, and not by BVs alone. These stags are ideal for the progressive farmer.
