

XCELL RISING STARS

NATIONAL HARD ANTLER & VELVET COMPETITION

Setting new benchmarks for the future of New Zealand Deer

The 2014 XCELL Rising Stars event has once again exceeded all expectations. The move south has provided us with more entries and guests on the night. The quality of entries is astonishing and a real credit to the producers, breeders and the enthusiasts amongst us. Thanks to the South Canterbury/North Otago DFA branch and to those who helped and sponsored without whom this great event would not be possible.

"This is the most outstanding 2 Year old Elk I have seen in New Zealand. For his age, quality, style and score I doubt he would be beaten."
- Hub Hall, Head Judge.

Final Word

Well here we go again, how the Xcell Rising Stars Competition has come around so quickly. I commend the organising committee on their efforts again, one for allowing the competition to be showcased in the South Island and two, for the South island to continue on what is deemed to be one of the best competitions of its kind in the country, a fun and highly supported event. Xcell has enjoyed its involvement with Rising Stars from the beginning, when we were approached by Joe Crowley to be a sponsor. We appreciate the opportunity and are privileged to still be involved. Xcell - a small locally owned company supporting the Deer Industry since 1996. Xcell wishes you all well for the fast approaching breeding season, and hope to see you during that period.

Cheers
