.. THE FASTEST MOVING INDUSTRY IN THE COUNTRY

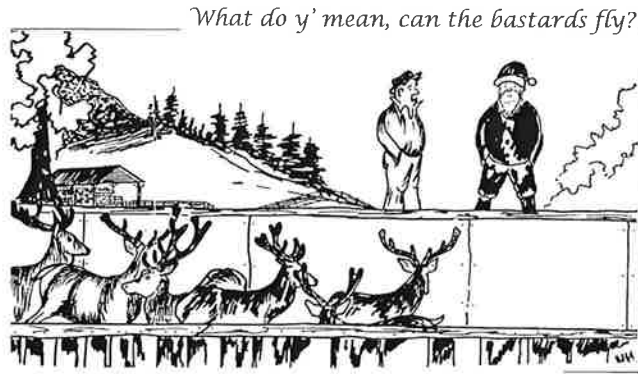

Those new hinds still walking the fence eh?

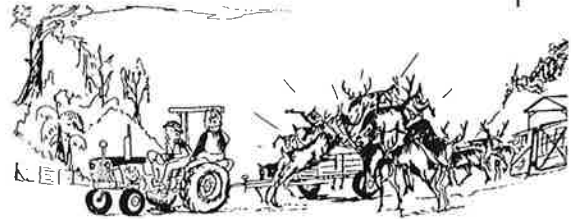

"See you got that new English vet in to do the velveting"

"Aw! I got a hiller for the pot but I missed a damn nice Hughes 500"

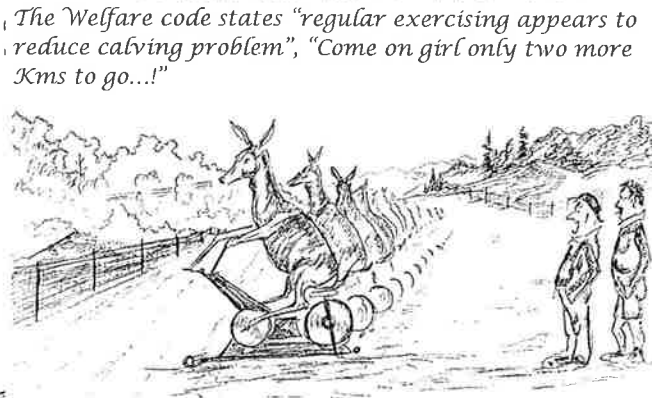

What do y' mean, can the bastards fly?

"GREAT THING ABOUT DEER, WINTER FEEDING'S NO PROBLEM. THEY'R NOT EVEN INTERESTED."

"SO HE COST ME THREE GRAND.... THE WIFE'LL BE RAPT"

The Welfare code states "regular exercising appears to reduce calving problem", "Come on girl only two more Kms to go...!"

"NO MATE, THERE'S ONLY ONE WAY TO MOVE DEER, AND THAT'S THE GOOD OLD FARM BIKE"
